

SRI N. B. SIRDESAI.— May I know whether the Government is aware of the fact that Khanapur taluka is the most neglected taluka as far as minor irrigation works are concerned ?

† SRI D. DEVARAJ URS.— As far as possible, we will take up works in this taluka.

SRI N. B. SIRDESAI.— Is it not a fact that the works are insufficient compared to the extensive cultivable area available in Khanapur taluk.

SRI D. DEVARAJ URS.— There is no gainsaying the fact that we cannot take up all the works at the same time. In a phased way it has to be taken up.

SRI N. B. SIRDESAI.— May I know why the Government is not making funds available to Khanapur taluk whereas it is made available to other talukas ?

SRI D. DEVARAJ URS.— I am sorry the hon. member has not been properly apprised of the things. Last time 15 works have been sanctioned and 9 taken up and 1250 acres are under irrigation. This year, six more works have been included at a cost of nearly 8 lakhs of rupees.

Amount collected from Producers of Foodgrains for taking up road works

258 SRI PRABHAKAR TELKAR (Chitapur).—Will the Minister of State for Regulated Markets be pleased to state :—

(a) the amount collected from the producers of foodgrains etc., through APMCs of Gulbarga District for the "Roads and Bridges Development Fund". (Particulars of amount collected by each of the APMCs of the District be furnished) ;

(b) the particulars of road works taken in each APMC (jurisdiction, particulars of road works completed, yet to be completed) ?

SRI A. B. JAKANUR (Minister of State for Regulated Markets).—

(a) An amount of Rs. 59,49,185.77 was collected by the APMCs in Gulbarga District from the sellers of notified agricultural commodities by way of market fee during the period from 1975-76 to 1977-78 (upto 31-3-1978).

SRI PRABHAKAR TELKAR.—From this statement, it is clear that even though huge amounts had been collected from each A.P.M.C., the amount that has been spent is very meagre. You have spent about Rs. 30 lakhs in Gulbarga District and the total amount that has been collected is about Rs. 59,49,000 and odd. I have seen from the records that where the Districts which have not collected more amount have been given greater amount. Why should there be a disparity? You may spend the amount collected in each district to that district itself.

SRI A. B. JAKANUR.—It is a very good suggestion. It is being examined.

MR. SPEAKER.—Question No. 271 is held over.

Teachers Working on Stipendiary basis

294 SHRI H. GANGADHARAN (Krishnaraj).—Will the Minister for Education be pleased to state:—

(a) whether it is not a fact that about 500 young educated persons were recruited and trained to work as teachers on stipendiary basis till they are absorbed in Government service;

(b) whether it has come to the notice of Government that they have not been absorbed so far;

(c) if so, whether Government intend to absorb these people in Government service early since they would become age-barred?
